MARCH 5, 2019 ADULT MUSIC THERAPY GROUP!

Granite State Music Therapy and board certified music therapist, Tricia Ciaiti, are working together to provide a fun and motivating music therapy group for adults of all needs. Group members will participate in an engaging music therapy group where they will explore instrument playing, singing, movement and more! Contact Elizabeth today for more information.

Adults enjoy participating in music making, listening and movement with peers.

Group members work together to create meaningful music and socialize

This group provides opportunities for team building skills, communication skills, increasing self-esteem and positive socialization.

Cost: \$160.00 for the 8 weeks. Checks made out to Granite State Music Therapy.
