

APRIL 12TH MUSIC CLASS!

Ages 6-36months

Granite State Music Therapy is teaming up with Windham Recreation Department! We are offering an exciting 6 weeks of music class where kids can grow and develop while playing instruments, singing and dancing on Friday mornings. Ms Elizabeth will lead the group and provide opportunities designed to increase your child's independence, social-emotional skills, early language and self-control. Register online through the Windham Recreation Department today!
